**Lease Terms and Conditions**

The Lessee must agree to the following terms and conditions prior to picking up the piece of equipment from Newburg Service Center Inc.

Lessee shall examine the equipment prior to use and note any defects on this form. Lessee agrees to grease equipment after use and to remove seed, dirt and debris prior to returning equipment. Transportation on highways shall require appropriate vehicle with hitch. Safety chains shall be secured at all times when equipment is in use, and a "slow moving" sign shall be displayed on rear of equipment. **Lessee assumes all liability when towing and using equipment and agrees to carry and provide proof of a minimum of \$1,000,000 liability insurance.** Lessee hereby indemnifies the Custodian, Charles Soil Conservation District, and Newburg Service Center Inc. against any claim for bodily injury or property damage arising out of Lessee's use, possession or transportation of equipment, or the use, possession or transportation of same by any other person with or without the Custodian's consent. Lessee agrees to be responsible for the cost of all repairs, including parts and labor, made necessary during the lease period; normal wear and tear is expected. Custodian has the right of refusal if land is too steep or rough for safe operation of the equipment. Equipment will be used only on property in Charles County owned and/or operated by Lessee. Lessee represents and warrants (1) that equipment will only be transported by Lessee, (2) that Lessee is familiar with the equipment operation and competent to operate said equipment in a safe and appropriate manner, and (3) that Lessee acknowledges the inherent dangers and perils associated with the operation of equipment and assumes all risk and liability associated with such transportation, operation, use and storage.
