Re-review for Revision Approval and/or Extension of Approval for Forest Harvest Plan.∞	N/A	\$121.00 (minimum review fee)

* Erosion and sediment control plan review fees for Charles County Individual Residential Building Permits and ESD reviews are collected by the Charles County Treasurer's office. All other sediment and erosion control fees for projects within Charles County, the Town of La Plata and the Town of Indian Head are collected by the Charles Soil Conservation District.

Δ Forest Harvest Plans must be prepared by a licensed professional forester and must adhere to the Charles Soil Conservation District Erosion and Sediment Control Plan for Forest Harvest Operations.

∞ Revisions which add disturbed area to a previously approved erosion and sediment control will be subject to the appropriate charges for the additional area. (Minimum review fee for a plan revision approval is \$121). Revisions which change the grading and/or erosion and sediment control plan/concept will be subject to fees as if a new plan submittal. Plans with expired erosion and sediment control approvals may be subject to fees as if a new plan submittal.
